

LUNA PAIGE OCEANIC HEART TOUR

PRESSER & SHOW DESCRIPTION

Luna Paige's OCEANIC HEART TOUR kicks off in February 2025 and will run until the end of May 2025. The tour starts in the Western and Eastern Cape in February and March, after which Luna will travel to the Northern parts of the country in April and May to treat music-lovers across South Africa.

Singer-songwriter and storyteller Luna Paige brings music lovers a collection of songs that celebrate the comprehensive nature of love. In OCEANIC HEART Luna Paige sings about romantic love, love between friends and family, and the deep connection between humans and their animals. She sings about love of nature, travel, and most importantly - self-love.

Besides performing her original material, Luna Paige has selected songs by bands and songwriters who have written songs about their own siblings, four-legged friends, their love of music and the long and winding road. Luna will perform her own version of these popular songs during the show.

Luna Paige is no stranger to discerning music lovers in South Africa. She is known for her exemplary songwriting and her powerful voice. Audience members are often impressed by her ability to write her own songs and perform them while accompanying herself on acoustic guitar and piano. A true artist.

She has released 5 English albums, 2 Afrikaans albums, 1 SAMA-nominated collaborative album and multiple singles since 2003. In October and November 2024, she toured nationally with her TUISKOMS / COMING HOME TOUR after spending three exhilarating months in Europe, which included intimate performances in the Netherlands. October 2025 sees her touring the Netherlands with a brand-new production by the name of DREAMLAND. Before then, join Luna Paige for a lighthearted and celebratory show about love - that one thing we all need in our lives. February dates released. Luna's March dates to be released on Monday, 3 February 2025. Follow Luna's social media for updates on April and May performances.
